#### CCQ Host Clubs:

Alphabetically:

*Bayside Club*

*Peninsula Club*

*Qld Club*

*This is only an introduction newsletter, to advise of some information for the forthcoming 2018 State Rally*

*CCQ members, the sub committee & others from the host clubs went to the Bundaberg grounds 9th - 12th January & can inform you that we were all very impressed with the grounds*

*They are in excellent condition & can accommodate everyone on power and water. The site is level and green and well maintained by Robbie the head caretaker (Last October the CMCA had a rally there with 900 plus vans all on power and water)*

*There are plenty of toilets and showers & they are in immaculate condition. There are two dump points available. Grey water can run on the ground, providing a suitable catcher on the end of the sullage hose*

*The Bundaberg Information Centre ladies were so helpful, hence using their Logo above The committee had a meeting with them & were impressed with their willingness with what they can do for us*

*They are going to arrange all the tours, & really they have so many on offer it will be hard to decide, and they will be on site at the rally*

*Our slogan, was discussed & decided on the above, & hopefully will excite Club members to come and help to make this a State Rally to remember*

*The work organising this rally now begins in earnest and a meeting was held with some members attending from the Bundaberg, Hervey Bay and Capricorn Clubs to help and assist*

*More info of coordinators, contacts details etc. will be in future newsletters so keep a watch out every month*

*Regards Editor*
