I am Don Stevens, Treasurer of the Sub-Committee

A New Zealander by birth, my parents were farmers in the Waimate region of the South Island. I had my own farm for a number of years, the property produced Grain, small seeds, fat lambs and cattle. I sold the property in 1977 and joined NZIG which today is owned by the Global Linde Group trading as BOC

I moved to Australia in 1981 and re-joined the LINDE/BOC group in 1983 and remained with them until my retirement in 2011 a total of 34 years. During my employment with BOC I held many roles. In Qld I was the State Manager for Asset Management and Logistics and in later years held a number of National roles covering Logistics, Channel Management and Major projects.

Gail and I have enjoyed over the years the pleasures of camping with Tents, Camper trailers and later years Caravans. We joined the Bayside Caravan Club three years ago and enjoy the company and fellowship of the members and the fact that there are scheduled rallies each month allows us to get out and around with our Caravan into the regional areas of Southeast Queensland and Northern New South Wales.

Coming from a rural background I personally enjoy the open spaces and the visits to the regional areas however it is good to get home to check on the gardens as I am a keen gardener. After a week or so at home its time to load up and hit the highways again. Last year we completed a great trip through regional QLD; NT, WA, SA, and Western NSW.

We have attended the Stanthorpe and Goondiwindi State rallies and I look forward to working closely with members of the Bundaberg State Rally Sub - Committee in delivering a successful event for all members attending.
