

2026 CCQ State Rally
Chinchilla Qld
17th to 23rd September 2026

2026 State Rally Update # 1

Hello everyone,

You are receiving this email as you have previously attended a CCQ State Rally. If you do not wish to receive further emails about the upcoming State Rally please let us know and your email address will be removed.

CCQ Secretary Barbara and State Rally Coordinator Michael have been receiving numerous calls and emails asking **“When will the Rally Registration form be available?”**

I hope that this Update # 1 will allay any concerns and give you an update on our schedule.

1. Rally Program

The Program for the week is 90% finalised. We keeping some of the good things from past Rallies and added in some new activities.

2. Sites at Chinchilla Showground

There will be at least 200 sites available with power and water. It is recommended that you bring long power cords and long water hoses.

3. Meals and Entertainment

During our site visit in early March, we finalised arrangements with our various caterers. As you are aware, Chinchilla has been recently flooded and there has been a focus of getting the town back into order. We are finalising the costs for the various meals for publication in the Registration Form.

We have locked in the entertainment for the Saturday night dinner, Sunday Night and Tuesday Farewell night.

4. The Registration Form.

This will be available to Clubs via the CCQ Website and by Email in early to mid April (sooner if we can).

5. Regular Updates

This is the first of several updates we will be forwarding to Clubs and registered attendees keeping you up to date on “What’s Happening”.

We hope to see you at the 2026 CCQ State Rally.

Brian Gill - State Rally Program Coordinator

Please support our sponsors:
Major Sponsor - Charley's Creek Campground & Brewery
Entertainment Sponsor - Chinchilla RSL
