Don't feel like cooking tonight and want a fun filled evening?

Book into this event and enjoy yourselves with friends.

What is Music Trivia?

Music Trivia is a fun high-energy twist on the traditional game of bingo.

Instead of the host calling out random numbers like 'B-12' or 'O-65', they play snippets of popular songs.

The contestants must identify the songs and are then asked questions about the song, artist, albums and music history.

It's essentially a mix of a trivia night, a dance party, and classic bingo.
