Fancy New Uniform Shirts

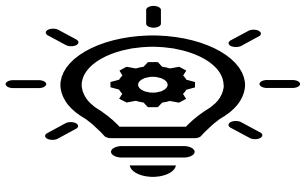

Many have noticed some clubs have new style shirts appearing around, and have asked many questions around these new Club Shirts

- ✚ Where do you get them?
- ✚ What process did you use to decide on the design? (Oh Boy, some say this is difficult a minefield)
- ✚ Are they just for wearing around at rallies?
- ✚ Do you keep your more formal, older shirts?

So many questions. If you have gone through this process, can you send in some details. As much or as little as possible. We would love to hear what you found good and bad.
