

2026 CCQ State Rally
Chinchilla Qld
17th to 23rd September 2026

Daily Newsletters at the State Rally

Technology has come to the Caravan Clubs of Queensland. To keep Rally costs to a minimum, printed daily newsletters will not be provided to everyone this year.

Rather, each daily newsletter will be emailed to your individual mailbox via the Email address that you provided with your State Rally registration form.

A small number of printed newsletters will be available from the Office for those who do not have access to Email.
