What a great way to meet new like-minded friends

Mark Brookfield – Coordinator for the CCQ's Stand at the 2026 Caravan Show held at Brisbane RNA Showgrounds.

A huge thank you to all who attended our stand and helped promote our Clubs to the Caravanning public and hopefully you will have generated some new enquiries from potential new members.

Some interesting facts from the show-

- ✚ Total attendance for 2026 was 27852 down from 38159 in 2025
- ✚ Strong media coverage across TV, radio, print and digital

While attendance was lower this reflects broader trends experienced by major capital city shows across Australia in 2026 amid cost of fuel uncertainty. Despite these market conditions, the strong turnout demonstrates the continued enthusiasm and passion Queenslanders, and visitors who travelled from as far away as Western Australia-have for the caravanning and camping Lifestyle
