17—23 September 2026

*Hey! It's time for the
Disc Bowls Pairs Championship
at the 2026 Chinchilla State Rally*

Come along and have some fun - the competition is open to all - a team may be first timers or old hands, 2 men, or 2 ladies, or a man and a lady. But the team must be from one club.

And somebody needs to cheer your club on - so we need lots of spectators too - so please bring a chair and cheer your hardest!

To play, you need to lodge a completed Nomination Form, all at the Nomination Box in the rally office. Please note that nominations close at rally office closure on Friday, 18 September.

The competition starts at 9:00am on Monday, 21 September.

Please join us to help make this a very exciting club competition. May the best players win!

Happy Disc Bowling!

Disc Bowls Competition at Chinchilla

The Queensland Caravan Club is running the Disc Bowls Championship at the CCQ State Rally at Chinchilla Showground in September 2026.

We will be very pleased if members from all of the clubs join us as Markers for the competition. Please note that acting as Marker will NOT exclude you from playing in the competition. If you wish to act as Marker, please email us at gibsonwa1@bigpond.com. Your help will be most appreciated.

To mark and/or play, please present yourself at the Disc Bowls competition arenas at the outdoor area towards the top of the Chinchilla Showground site map, at 9:00am on Monday, 21 September.

Thank you for your assistance.

Footsteps through History Guided Walking Tour of Chinchilla

I received this information from Nicole Franklin, the Tourism Program Leader for the Western Downs Regional Council today.

They have put together a Guided History Walking Tour for members of the State Rally on Monday 21 September 2026. There are two departure times 9:00am and 10:30am.

See the attached [Footsteps Through History Flyer](#) here

“It's getting close now and we're excited to be welcoming everyone to Chinchilla in September!

Please find attached information on the guided history walking tours being offered on 21 September for any guests who would like to take part.

The tours will be hosted by Vanessa and myself at no cost, with the only charge being Chinchilla Museum entry.

We'll guide guests through the Chinchilla Botanic Parkland, sharing stories of the area's Indigenous and pioneering history, before finishing at the Chinchilla Museum where attendees can enjoy the self-guided audio tour.

If you could please share the attached information with your group, we'd greatly appreciate it.

If you have any questions, please don't hesitate to get in touch. Vanessa and I are looking forward to sharing a little of Chinchilla's history with your attendees.”

Best regards

Nicole Franklin
